CARL A. HANSEN NURSERY

BROOKINGS, S. DAK.

Dear Friend:

About this time each year we have our Annual Cellar Clean-Up Sale of all the stock we have left in storage in good dormant condition.

There is still plenty of time to plant trees and shrubs, as long as they are dormant. Especially this year when the season is so much slower than usual. Altho our supply of some things is not too large at this time of year, we do have the following items in good condition and they will grow if properly planted and cared for. In order to give our customers the advantage of this, we have cut the prices way down while our present supply holds out, during the rest of this planting season. We can ship until about June 20th, but the sooner you plant now the better, while conditions are so favorable.

In filling orders from this Sale Sheet, if we are out of any item, we reserve the right to substitute with similar kind or value, or to ship what we can now and allow credit for the rest, to be applied on an order next season. Because of the low prices quoted, please have all orders total \$3.00 or more, and if you want to order less than that amount, please add 25¢ extra for handling.

Prompt shipment of all orders, usually the next day after we receive them, by express or parcel post collect for delivery costs, so if you want them prepaid send enough extra for postage.

Order Promptly And Take Advantage NOW Of These Many Big Bargains!
